

3M Electrical Markets Division
Professional Use Vinyl Electrical Tapes

Trusted by Generations of Electrical Professionals

3M is the leader in the industry with Scotch® Professional Use Vinyl Electrical Tapes. Ever since the invention of electrical tape in 1946, 3M has continued to improve tape technology to deliver reliability and performance.

Scotch® Professional Use Vinyl Electrical Tapes will offer you:

Confidence to complete your job quickly and to a high quality standard, requiring no foreseeable rework

Pride by enhancing your reputation for performing professional quality work

Performance by lasting many years in harsh conditions; both hot and cold; indoors or outside

Insist on the best electrical tape – Get the Good Stuff

Professional Use Vinyl Electrical Tapes

Scotch® Super 33+™ Electrical Tape and Scotch® Colour Coding Electrical Tape 35 are professional grade, all-weather vinyl-insulating tapes designed to perform continuously in ambient temperatures up to 105°C. Scotch® Professional Use Vinyl Electrical Tapes are UL Listed and Canadian Standards Association (CSA) Certified.

Feature	Advantage	Benefit
UV resistant	Excellent durability	Increased reliability
Application temperature down to -18°C (Scotch® Super 33+™ Tape)	Can be applied in very cold weather	Electrical work can be performed year-round
Rated to 105°C	Can be used in critical electrical applications and will not fail, crack or unwind	Increased reliability and safety for years of worry-free performance
Excellent adhesion	Sticks well to all cable jackets and conductors	Excellent handling characteristics and reduced flagging
Excellent stretch and elasticity	Provides best conformability and tight moisture seals	Wrap any shape and enjoy years of protection from moisture
Available in 6 fade-resistant colours	Colours for all your marker needs	Increased reliability for extended use

Warranty; Limited Remedy; This product will be free from defects in material and manufacture for a period of 12 months from the time of purchase. If the product is deemed a kind not ordinarily acquired for personal, domestic or household use or consumption your exclusive remedy shall be, at 3M's option, to replace or repair the 3M product or refund the purchase price of the 3M product.

Important Notice

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure. This product will be free from defects in material and manufacturer at the time of purchase. If this product is defective within the warranty period stated above, your exclusive remedy shall be, at 3M's option, to replace or repair the 3M product or refund the purchase price of the 3M product.

Limited Liability

Except where prohibited by law, if the product is deemed a kind not ordinarily acquired for personal, domestic or household use or consumption, 3M will not be liable for any loss or damage arising from this 3M product, whether, indirect, special, incidental or consequential regardless of the legal theory asserted.
